

Sunnyside Manor, advanced standing designation

Manor satisfied all state licensing regulations and benchmarks

THE COAST STAR

Sunnyside Manor, [www.sunnysidemanor.nj.com] is pleased to announce that it has received the designation of Advanced Standing, in a program piloted by the

New Jersey Department of Health [DOH] and the Health Care Association of New Jersey Foundation [HCANJF]. Assisted Living communities receive the designation of Advanced Standing when the residence has satisfied all state licensing regulations and met or exceeded quality benchmarks.

Advanced Standing is a voluntary program that Sun-

nyside Manor chooses to participate in to verify the quality level of the residence. Assisted living communities are a special combination of housing plus person support services designed to accommodate those who need help with activities of daily living and some health care services.

"The Advanced Standing indicates that Sunnyside Manor has achieved a high

level of excellence," MaryEllen Keane, Vice President of Sunnyside Manor, said. "We chose to participate in this program because we are committed to the highest quality of care and lifestyle and we want our residents and families to know of our commitment and achievement."

The Department of Health [DOH] maintains full

regulatory oversight of the assisted living services and residences within the Advanced Standing program. In addition, the DOH randomly conducts surveys throughout the ensuing years. Potential residents and their families can ask to see documentation that indicates the community has been given an Advance Standing status.

Sunnyside Manor is currently located in Manasquan and will be moving to the new expanded campus in Wall Township this summer. The all new Sunnyside Manor will be providing a continuum of care in three distinct neighborhoods: Independence 'Plus' Assisted Living, Memory Care and Skilled Nursing.
