

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

September 11, 2020

Dear Sunnyside Manor Residents, Families and Resident Representatives,

We are so pleased that our residents are able to enjoy distanced communal dining as part of our progression into the next phase of reopening. Our Independence 'Plus' Assisted Living and Recollections Memory Care neighborhoods started distanced communal dining this week, and our Skilled Nursing neighborhood will start next week. It has been wonderful seeing the excitement and happiness in our residents' faces as they reconnect with their friends over meals.

Earlier this week, we received additional guidance from the Department of Health regarding Essential Caregiver visits. As a result, we have made some minor revisions to our Essential Caregiver Policy and our Essential Caregiver Application. The updated documents are attached to this email. If you have already submitted an Essential Caregiver Application, there's no need to resubmit your application.

As we mentioned in last week's update, we encourage you to review the Essential Caregiver information and submit an application if you wish to care for your loved one as an Essential Caregiver. You may submit the Assisted Living and Recollections applications to Jeana Tafrow at jeana.tafrow@sunnysidemanornj.com and the Skilled Nursing applications to Pam Gormley at pam.gormley@sunnysidemanornj.com.

Last, but certainly not least, we wish to acknowledge this tragic day of the attacks on September 11th nineteen years ago. That event was a true test of the American spirit, and our country emerged stronger and more unified. As has been said over and over, we will never forget.

Thank you for your support. We hope you have an enjoyable weekend.

Best regards,

The Keane Family
