

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

September 18, 2020

Dear Sunnyside Manor Residents, Families and Resident Representatives,

We are happy to share that our residents in all three neighborhoods are now enjoying distanced communal dining as part of our progression through the phases of reopening. Although we're a long way from getting back to normal, allowing our residents to enjoy meals together in the dining rooms is a big step in the right direction. A number of pictures have been posted to our Facebook page. We encourage you to take a look.

We continue to receive Essential Caregiver applications and expect this program to begin next week. In the meantime, we're working hard to establish the policy, procedures and protocols for Compassionate Care visits. The guidance for Compassionate Care visits has been somewhat limited, and we are hopeful that additional guidance will be forthcoming.

We continue to test all of our employees for COVID-19 on a weekly basis. The turnaround time for test results has dramatically improved, and we are thankful to report that we remain COVID-free.

Thank you for your ongoing support. We really appreciate it.

Best regards,

The Keane Family
