

The Area's Premier Family Owned & Operated Senior Living Community

December 4, 2020

Dear Residents, Family Members and Resident Representatives,

We'd like to provide you with a quick update. We are pleased to report that we have not had any positive test results for COVID-19 since our last communication and we do not have any Persons Under Investigation (PUI). We'd also like to make you aware of a new program developed by the New Jersey Department of Health. In an effort to increase the frequency of COVID-19 testing and improve the turnaround time for receiving test results, a pilot program is underway that increases the amount of rapid COVID-19 antigen testing in senior living communities. Under this program, which started on November 30th and is scheduled to run for two weeks, we have been testing all staff members every other day with BinaxNow antigen rapid tests. We are still performing weekly PCR COVID-19 testing of all staff members, as PCR testing is considered to be the gold standard. We share this information to make you aware of the additional precautions that are taking place to keep our residents safe.

The table below reflects the current status of our neighborhoods.

Neighborhood: Skilled Nursing		
Activity	Status	Service Resumption
Outdoor Visits	Allowed	N/A
Essential Caregiver Visits ¹	Suspended	Visits resume 12/15 ¹
Compassionate Care Visits	Allowed	N/A
Bereavement Visits	Allowed	N/A
Dining	In room	Communal dining 12/22
Activities	In room	Communal activities 12/22

Neighborhoods: Assisted Living and Recollections		
Activity	Status	Service Resumption
Outdoor Visits	Allowed	N/A
Essential Caregiver Visits ¹	Suspended	Visits resume 12/8 ¹
Compassionate Care Visits	Allowed	N/A
Bereavement Visits	Allowed	N/A
Dining	In room	Communal dining 12/16
Activities	In room	Communal activities 12/16

1. Essential Caregiver visits may not resume until all residents have received two rounds of testing. Delays in receiving test results may impact the estimated date to resume Essential Caregiver visits.

Sunnyside Manor
December 4, 2020

Please note that the estimated date to resume Essential Caregiver visits has been delayed by one day for all neighborhoods based on delays we're experiencing with test results for our residents. As we mentioned earlier this week, we are not allowed to resume Essential Caregiver visits until all residents have received two rounds of testing. In addition, the service resumption date for Essential Caregiver visits is the estimated date that the visitation schedule will resume. Since the present guidance places restrictions on the number of visits we can accommodate in a day, every Essential Caregiver will not be able to visit their loved one on the date indicated in the table.

Please don't hesitate to share any comments, concerns or questions. We are committed to total transparency and we will continue to provide you with updates as soon any situations arise at Sunnyside Manor. Thank you for your ongoing support. We are all in this together.

Regards,

The Keane Family
