

The Area's Premier Family Owned & Operated Senior Living Community

January 29, 2021

Dear Residents, Family Members and Resident Representatives,

We received notice that three staff members have tested positive for COVID-19. One is a direct caregiver who works in our Assisted Living neighborhood. The other two are not direct caregivers and work in all three neighborhoods.

The table below reflects the current status of our neighborhoods:

Neighborhoods: All		
Activity	Status	Service Resumption
Outdoor Visits	Allowed	N/A
Essential Caregiver Visits ¹	Suspended	Visits resume 2/12/21 ¹
Compassionate Care Visits	Allowed	N/A
Bereavement Visits	Allowed	N/A
Indoor Visits	Suspended	Suspended due to NJ CALL score
Dining	In room	Communal dining 2/26/21
Activities	In room	Communal activities 2/26/21

¹ Essential Caregiver visits may not resume until all residents and staff have received two weeks AND two rounds of testing with no further positives. Delays in receiving test results may impact the estimated date to resume Essential Caregiver visits.

Next Friday, February 5th, Walgreens will be back on site for their second clinic. Our residents and staff members who received the first round of the COVID-19 vaccine will get their second dose at this time. Residents and staff who have not received the vaccine will have the opportunity to get the vaccine at this time.

We are grateful to you for your ongoing support. Please don't hesitate to share any comments, concerns or questions. We are all in this together.

Regards,

The Keane Family
