

# SUNNYSIDE MANOR

*The Area's Premier Family Owned & Operated Senior Living Community*

June 11, 2021

Dear Residents, Family Members and Resident Representatives,

We are pleased to report that all is continuing to move in the right direction. Last week, we shared a few of the Sunnyside traditions we've been able to resume inside the community. We are also in the process of evaluating which activities can resume outside of Sunnyside. For example, we will be starting our Monday Mini-Scenic Bus Trips with Terry and our Friday Shopping (Dollar Tree) Trips next week. We evaluated the safety risks of outside dining trips, and decided to relook at this once the COVID-19 activity level in this geographic area (CALI score) improves further.

We've had a few questions about visitors who would like to spend time outside during these beautiful days of warm weather. While it is absolutely fine to take your resident loved one outside to enjoy our patio or walking paths, we remind you that the current New Jersey rules require that you maintain a distance of 6 feet from the other residents. If a resident approaches a visitor, the visitor is expected to remind the resident that a distance of 6 feet must be maintained. We must strictly enforce this rule, and any visitor that does not follow this will be asked to leave. We don't mean to be so blunt. As we said last week, we're not out of the woods quite yet.

We hope you have a wonderful weekend. Thank you for your ongoing support.

Regards,

The Keane Family
