Dear Residents, Family Members and Resident Representatives,

We are happy to share that this has been an uneventful week. As we informed our Assisted Living residents and family last Friday, we learned late last week that a staff member had tested positive for COVID-19 in our Assisted Living neighborhood. Thankfully, we were able to complete our required round of testing fairly quickly and we were "back to normal" within a few days. This experience serves as a reminder that we cannot let our guard down.

With the recent beautiful weather, our residents are spending more and more time outdoors. It's nice to look outside and see a small gathering enjoying each other's company. The weather forecast is calling for a nice day on Sunday, so we hope you will be able to enjoy the outdoors during this Father's Day weekend. Chef Jeff has prepared a special meal for Sunday. We'll be serving our Father's Day meal at dinner instead of lunch, so any resident who goes out for lunch with their family and friends will be able to enjoy our special meal when they return.

We'd like to wish a Happy Father's Day to all the dads. We hope you have a wonderful weekend. Thank you for your ongoing support.

Regards,

The Keane Family
