

# SUNNYSIDE MANOR

*The Area's Premier Family Owned & Operated Senior Living Community*

June 4, 2021

Dear Residents, Family Members and Resident Representatives,

Once again, we are thankful to report that things are still moving in the right direction. We are continuing to bring back the programs and activities that we were forced to suspend during the pandemic. Last week, we resumed the Breakfast Club in our Skilled Nursing neighborhood. Next week, in our Recollections neighborhood, we will be serving the meals to our residents "homestyle", just as we used to. It's been uplifting to the residents and staff to bring back the traditions that make Sunnyside special.

We'd like to ask for your help and attention to our procedures for scheduling visits. Although visitation restrictions have eased significantly over the past several weeks, we are still required to strictly follow state-mandated rules that place limits on how the visits are conducted and how many visits can take place at one time. Recently, some visitors have come unannounced to Sunnyside to visit their resident loved one. Although we couldn't be more thrilled to have these visits, we must require that these visits be scheduled in advance. We've come a long way towards reopening, but we still have a way to go.

We hope you have a wonderful weekend. Thank you for your ongoing support.

Regards,

The Keane Family
