

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

July 30, 2021

Dear Residents, Family Members and Resident Representatives,

We are continuing to enjoy life at Sunnyside Manor without setbacks from COVID-19. Things here have really been hopping lately. We had a steel drum performer in our Skilled Nursing neighborhood this week, which was a huge success with our residents. This performer will be in our Recollections neighborhood today and in Assisted Living next week. Barbara Harris, formerly of the 1960's group 'The Toys', will be performing again at Sunnyside. Barbara has performed at Madison Square Garden and the Meadowlands, and she always gives a great performance at Sunnyside. We have also scheduled more visits from Grady and other therapy dogs, and Father Bill will be coming back to Sunnyside on Mondays.

As you've most likely seen in the news, there's been a recent uptick in COVID-19 cases due to the COVID-19 Delta variant. In New Jersey, the CALI score (COVID-19 Activity Level Index) has been slowly worsening over the past several weeks. This week's CALI report shows the entire state at Moderate (yellow), while six weeks ago about half the state was Moderate and the other half was Low (green). The Moderna and Pfizer vaccines are proving to be effective against the variant, although we will continue to monitor this situation very closely.

And now for the "broken record" section of our letter. Although we've included information about the vaccine for the past few weeks, we will continue to include this information for anyone who may not have seen earlier letters from us and/or might still be unsure about the safety and effectiveness of the COVID-19 vaccine. As we've communicated, there is overwhelming data that COVID-19 vaccines are safe and nearly 100% effective at preventing death or hospitalization from COVID-19. We are happy to provide assistance to anyone who is looking for a vaccine location, or who would like additional information about the vaccine.

We hope you're having an enjoyable summer. Once again, we thank you for your ongoing support.

Regards,

The Keane Family
