

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

September 14, 2021

Dear Residents, Family Members and Resident Representatives,

We are writing to inform you that a resident from our 'Independence Plus' Assisted Living neighborhood tested positive for COVID-19. This resident was transferred to a local facility that has a COVID-19 unit. Unfortunately, this resets the visitation schedule for our 'Independence Plus' Assisted Living and Recollections neighborhoods. Since we have satisfactorily completed our first round of testing, outdoor visits are able to continue for these neighborhoods. Our Skilled Nursing neighborhood has not been impacted.

Out of an abundance of caution and due to the highly contagious nature of the COVID-19 Delta variant, we will be serving meals to our 'Independence Plus' Assisted Living and Recollections residents in their apartments until we have satisfactorily completed two rounds of testing. Also, in accordance with the authoritative guidance, we are required to suspend hairdresser services during this time. Lastly, in an effort to minimize the potential for exposure to COVID-19, we are once again requiring that all packages be delivered to our loading area in the back of the building until further notice. We appreciate your attention to this change.

Last but not least, effective immediately, all visitors will be asked to show proof of vaccination before entering the building. For those visitors that are not vaccinated, the current policy of requiring full PPE will remain in effect.

Please don't hesitate to share any comments, concerns or questions. Thank you for your ongoing support. We are all in this together.

Regards,

The Keane Family
