

The Area's Premier Family Owned & Operated Senior Living Community

September 3, 2021

Dear Residents, Family Members and Resident Representatives,

This has been a challenging week for our Recollections neighborhood. After learning that a resident in Recollections tested positive for COVID-19, we tested all of the residents and staff members in our 'Independence Plus' Assisted Living and Recollections neighborhoods. This testing uncovered six additional COVID-positive residents in Recollections yesterday and one additional Recollections resident today, bringing the total number infected residents to eight. These residents have been transferred to a local facility that has a COVID-19 unit.

On the positive side, none of our 'Independence Plus' Assisted Living residents tested positive for COVID-19, and none of our staff members in 'Independence Plus' Assisted Living or Recollections tested positive for COVID-19. As per the current guidelines, our 'Independence Plus' Assisted Living and Recollection residents and staff members are required to undergo two rounds of testing for COVID-19.

Since all of our staff members tested negative for COVID-19 and all unvaccinated visitors receive a BINAX test before entering the building, it is likely that a fully vaccinated visitor brought the COVID-19 virus into Sunnyside. We are investigating whether contact tracing will be performed. Depending on the outcome, please consider the possibility that fully vaccinated visitors may be asked to provide vaccination records.

Visitation for our 'Independence Plus' Assisted Living and Skilled Nursing neighborhoods is not impacted by this situation. Unfortunately, we are required to suspend visitation in Recollections until no new cases have been identified for 14 days. If we do not have additional positive test results, Recollection's visitation will be suspended until September 17th.

Please don't hesitate to share any comments, concerns or questions. Thank you for your ongoing support. We are all in this together.

Regards,

The Keane Family
