

# SUNNYSIDE MANOR

*The Area's Premier Family Owned & Operated Senior Living Community*

September 7, 2021

Dear Residents, Family Members and Resident Representatives,

We are writing to inform you that one resident from our 'Independence Plus' Assisted Living neighborhood and three additional residents from our Recollections neighborhood have tested positive for COVID-19. These residents are being transferred to a local facility that has a COVID-19 unit. In addition, a fully vaccinated Skilled Nursing non-direct care staff member has tested positive for COVID-19. As per the current guidelines, our 'Independence Plus' Assisted Living and Recollection residents and all staff members are required to undergo two rounds of testing for COVID-19.

Unfortunately, this requires us to suspend visitation in all three neighborhoods. Assuming we do not receive any additional COVID-19 positive test results, we expect visits to resume for 'Independence Plus' Assisted Living and Recollections on September 21<sup>st</sup> and for Skilled Nursing on September 14<sup>th</sup>. We will work with those who have scheduled indoor visits to see if the circumstances warrant a compassionate visit, since compassionate visits have not been suspended. In addition, outdoor visits have not been suspended.

Please don't hesitate to share any comments, concerns or questions. Thank you for your ongoing support. We are all in this together.

Regards,

The Keane Family
