

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

October 29, 2021

Dear Residents, Family Members and Resident Representatives,

This week will be another short communication. We're thankful, during these challenging times, that we don't have any positive COVID-19 test results to report. We had our second COVID-19 booster clinic earlier this week, and we have also been giving flu shots to residents and staff members. On a lighter note, we're all getting ready for our spook-tacular Halloween celebrations we have planned for later this afternoon.

As a reminder, please remember to call in advance to schedule visits with your loved ones. We love having visitors and never want to do anything to discourage visits, but we are required under the current executive order to limit the number of visitors in the building at any given time.

Thanks to all of you for your ongoing support. Please don't hesitate to share any comments, concerns or questions. We are all in this together.

Regards,

The Keane Family
