

The Area's Premier Family Owned & Operated Senior Living Community

November 12, 2021

Dear Residents, Family Members and Resident Representatives,

We're thankful, during these challenging times, that we don't have any positive COVID-19 test results to report and are on schedule to easily meet the Centers for Medicare and Medicaid, Interim Final Rule published November 4, 2021. This rule requires all Healthcare Workers to receive their first vaccine by December 5, 2021 and to be fully vaccinated by January 5, 2022.

Thanksgiving is right around the corner. If you intend on taking your loved one home for the holiday, please notify Jeana Tafrow for Independence 'Plus' Assisted Living, Laura Polimine for Recollections and Pamela Gormley for Skilled Nursing to review the Resident Family Consent for Holiday Visitation Outside the Facility to ensure a safe visit.

As a reminder, please remember to call in advance to schedule visits with your loved ones. We love having visitors and never want to do anything to discourage visits, but we are required under the current executive order to limit the number of visitors in the building at any given time.

Thanks to all of you for your ongoing support. Please don't hesitate to share any comments, concerns or questions. We are all in this together.

Regards,

The Keane Family
