

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

November 3, 2021

Dear Residents, Family Members and Resident Representatives,

This week's communication will go out a little earlier than our typical communication. I'll be traveling across the country for my daughter's wedding this weekend. Although I've been busy finalizing wedding arrangements and fine-tuning my Father of The Bride toast, I wanted to be sure to take the time to provide you with our weekly update.

Thankfully we continue to remain COVID-free at Sunnyside Manor. We're grateful to have received the COVID-19 booster, since this means added protection for our residents and staff members from this virus. Earlier this week, we held an all-employee meeting so MaryEllen and I could personally thank all of our employees for their incredible efforts during such a difficult time. During the height of pandemic, we referred to them as our modern-day heroes. This still rings true more than ever.

Thanks to all of you for your ongoing support. Please don't hesitate to share any comments, concerns or questions. We are all in this together.

Regards,

John Keane, Jr., on behalf of
