

The Area's Premier Family Owned & Operated Senior Living Community

January 28, 2022

Dear Residents, Family Members and Resident Representatives,

We're pleased to report that we haven't had any additional cases of COVID-19 this week. The final round of resident and staff testing has been completed for all neighborhoods. As a result, we have resumed communal dining and activities.

The number of new cases in New Jersey continues to decline. In last week's letter, we pointed out that the number of daily new cases in New Jersey had dropped from 32,000 to somewhere in the 10,000 to 12,000 range. The current number of daily new cases is now approximately 6,000.

Thanks to all of you for your ongoing support. Please don't hesitate to share any comments, concerns or questions. We hope you stay safe during this weekend's snow storm.

Regards,

The Keane Family
