

# SUNNYSIDE MANOR

*The Area's Premier Family Owned & Operated Senior Living Community*

January 7, 2022

Dear Residents, Family Members and Resident Representatives,

Thankfully we haven't had any new resident cases of COVID-19 since our last communication, but we do have additional staff members that have tested positive. The new cases are as follows:

- One direct care staff member in our Skilled Nursing neighborhood
- One direct care staff member who provides services in both our Independence 'Plus' Assisted Living and Recollections neighborhoods
- One direct care staff member who provides services for our three neighborhoods
- One non-direct care staff member who provides services for our three neighborhoods

If the pattern of daily new cases in the United States follows the pattern that has occurred in South Africa and the United Kingdom, we would expect this to be the highest point of new cases and that the number of new cases will begin to quickly decline over the next few weeks. We certainly hope this is the case.

Please note that visitation will continue, although all visitors must wear a facemask at all times, even when alone with the resident in their room. If you are showing any symptoms or have had direct exposure to someone with COVID-19, we urge you to delay your visit so that you don't infect others.

Thank you for your ongoing support.

Regards,

The Keane Family
