

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

February 18, 2022

Dear Residents, Family Members and Resident Representatives,

We continue to remain free of COVID-19. We're closely monitoring BA.2, which is the latest Omicron subvariant. From what we've learned, it hasn't yet made it to the US in large numbers. We'll continue to update you as we know more.

In the meantime, we're thankful to have things get back to "normal" at Sunnyside. It's great to see the residents enjoying one another at mealtime and activities, and it's wonderful to see outside entertainers make their way back into our resident events.

We don't have much more to report at this time. As always, we thank you for your ongoing support. Please don't hesitate to share any comments, concerns or questions.

Regards,

The Keane Family
