

The Area's Premier Family Owned & Operated Senior Living Community

February 25, 2022

Dear Residents, Family Members and Resident Representatives,

We're pleased to report that we continue to remain free of COVID-19. The New Jersey CALI (COVID Activity Level Index) is yellow (moderate) in Monmouth County and throughout most of the state, and is actually green (low) in a few of the northern counties. It's hard to believe it was red (very high) in Monmouth County and most of New Jersey just a few weeks ago.

Based on our risk assessment of the current conditions, we have decided to suspend our COVID testing of fully vaccinated visitors. Our Accushield screening will not change, and the current visitation policies must remain in effect.

In addition, we are happy to share that we will be resuming our off-campus resident activities, which will include shopping trips, restaurant outings and church attendance. This is yet another sign of things getting back to normal.

Although the news at Sunnyside is hopeful and positive, we wish to extend our sorrow and concern for the people of Ukraine. We pray for the safety and security of all Ukrainians.

As always, we thank you for your ongoing support. Please don't hesitate to share any comments, concerns or questions.

Regards,

The Keane Family
