

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

March 11, 2022

Dear Residents, Family Members and Resident Representatives,

We're pleased that we don't have any additional cases of COVID-19 to report. Slowly but surely, we're continuing to get back to our new normal. It's been great fun feeling the excitement in the air as we bring back more and more of our pre-pandemic programming. Our residents seem to really enjoy and appreciate the special efforts our staff members are making to keep things fun, new and exciting. This is part of what makes Sunnyside Manor so special.

This afternoon, our Skilled Nursing neighborhood had live entertainment with a talented musician along with his performing Pug dog. Yesterday, our Independence 'Plus' Assisted Living Residents had a soup cook-off. For this fun competition, our residents brought in their favorite soup recipes for a cookoff. Everyone voted on their favorite soup, and the winning soup will be offered on our menu. Earlier this week, this neighborhood had a bus trip luncheon, which was a huge success. This is the first of the outings that are planned for each of our neighborhoods. We have bagpipes scheduled for our St. Patrick's Day celebration, which we know will be a big hit with our residents (and staff members too!)

As always, we thank you for your ongoing support. Please don't hesitate to share any comments, concerns or questions.

Regards,

The Keane Family
