

The Area's Premier Family Owned & Operated Senior Living Community

April 1, 2022

Dear Residents, Family Members and Resident Representatives,

We are writing to inform you that three additional residents in our Independence 'Plus' Assisted Living neighborhood have tested positive for COVID-19. To date, our Recollections and Skilled Nursing neighborhoods have not reported any cases of COVID-19. As we mentioned in last week's letter, the Omicron BA.2 subvariant is now the dominant version of COVID-19 in the United States. In this regard, the CDC issued a statement on March 29th recommending additional booster shots for certain individuals. We have included that statement in this email.

We have suspended communal dining and activities for our Independence 'Plus' Assisted Living neighborhood until the required rounds of testing have been completed. Our Skilled Nursing and Recollections neighborhoods have not been impacted.

We are sorry to bring this news to you. Thank you for your ongoing support.

Regards,

The Keane Family
