*The Area's Premier Family Owned & Operated Senior Living Community*

April 15, 2022

Dear Residents, Family Members and Resident Representatives,

Thankfully we don't have any additional cases of COVID-19 to report at this time. Since we've completed the required rounds of COVID-19 testing, we're able to re-open our Independence 'Plus' Assisted Living dining room today and we couldn't be happier about it. This morning's breakfast was our first meal back together, and it was really nice to see our residents enjoy their morning coffee together. As you probably recall, we never had to suspend dining for our Recollections and Skilled Nursing neighborhoods as a result of this latest outbreak. We have a special meal planned for Easter Sunday and we're so thankful all of our residents will be able to enjoy it together.

We hope you and your family have a nice Easter weekend. Thank you for your ongoing support.

Regards,

The Keane Family
