

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

April 22, 2022

Dear Residents, Family Members and Resident Representatives,

Thankfully we don't have any additional cases of COVID-19 to report at this time. Although the number of new cases in our geographic area continues to rise slightly, the total number of cases is a fraction of what we experienced with the Omicron variant early this year.

With the weather getting nicer and the COVID cases down at Sunnyside, we're busy expanding our activities calendar to appeal to and engage as many residents as possible. As an example, we met earlier this week with our Independence 'Plus' Assisted Living residents to discuss everything from the addition of evening programs to special events to outside entertainers. We've been challenging ourselves to see where we can enhance our programming in all three neighborhoods and we're very excited about the possibilities.

We hope you and your family have a nice weekend. Thank you for your ongoing support.

Regards,

The Keane Family
