

# SUNNYSIDE MANOR

*The Area's Premier Family Owned & Operated Senior Living Community*

May 23, 2022

Dear Residents, Family Members and Resident Representatives,

Last Friday, a major outage caused us to lose internet and telephone service for the entire day. Fortunately, we were able to forward our telephone number to allow us to receive calls, but our email was out for the day. As a result, the weekly letter that we usually send on Friday letter is going out today.

A non-direct caregiver has tested positive for COVID-19. This staff member provides services for our three neighborhoods. We haven't mentioned the NJ CALI (COVID Activity Level Index) in a while, mainly because the activity has been holding in the low to moderate range throughout the state. Over the past few weeks, the CALI has been creeping into the "high" range in some counties. As of the latest report, with the exception of the three southernmost counties, the entire state is now reported as "high". We want to make you aware of the increasing COVID activity in this area and we urge you to delay any visits to Sunnyside if you are experiencing any symptoms.

We're happy to see the warmer weather in the forecast, and we look forward to seeing more and more of our residents outdoors enjoying the sunshine. As always, we thank you for your ongoing support.

Regards,

The Keane Family

2500 Ridgewood Rd., Wall, NJ 07719
