

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

May 12, 2022

Dear Residents, Family Members and Resident Representatives,

We're writing to inform you that a direct caregiver in our Skilled Nursing neighborhood has tested positive for COVID-19. Thankfully we will not need our residents and staff members to undergo additional rounds of testing. Our dining and activities programs are not impacted as a result of this positive test result. As we mentioned last week, New Jersey continues to experience an increase in new cases.

On a positive note, this has been a fun-filled week at Sunnyside. Our activities have included a harp player, a steel drum performer, a lunch trip to a favorite restaurant, and a special four-course meal served for our Ladies Luncheon. We're also taking time to honor our nurses during National Nurses Week. Today is International Nurses Day, which coincides with Florence Nightingale's birthday. We are so blessed to have such a caring staff at Sunnyside, and we are forever grateful to their many contributions during such a difficult time for our industry.

As always, thank you for your ongoing support.

Regards,

The Keane Family
