

# SUNNYSIDE MANOR

*The Area's Premier Family Owned & Operated Senior Living Community*

June 10, 2022

Dear Residents, Family Members and Resident Representatives,

We don't have any additional COVID cases to report since you last heard from us. We're encouraged by this week's New Jersey CALI (COVID Activity Level Index) report. Over the past few weeks, we shared that the entire state was in the "high" category. This week's report shows that a few counties in New Jersey have improved to the "moderate" category. We're not out of the woods, but we're happy to see things moving in the right direction.

We've had some new residents join us over the past weeks and we welcome them to our Sunnyside family. It's always nice to see new faces in the community.

We hope you have an enjoyable weekend, and we thank you all for your ongoing support.

Regards,

The Keane Family
