

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

June 3, 2022

Dear Residents, Family Members and Resident Representatives,

As you know, we've had some staff members in our Skilled Nursing and Recollections neighborhoods test positive for COVID-19 over the past several days. Thankfully, our resident testing has not shown any positive test results. This week's New Jersey CALI (COVID Activity Level Index) reports that the entire state is still in the "high" category. We are continuing with our communal dining and activities, although we are encouraging our residents to enjoy the beautiful weather outdoors when possible. As we've mentioned in previous letters, we urge you to delay your visit to Sunnyside if you are experiencing any symptoms.

This weekend's weather forecast is promising, and we hope you are able to take advantage of the beautiful weather and enjoy the sunshine. As always, we thank you for your ongoing support.

Regards,

The Keane Family
