Manasquan Chamber of Commerce President

Welcome!

Thank you for choosing to spend time in Manasquan. Whether you are a resident or a visitor, the Manasquan Chamber of Commerce and its members are glad that you have decided to spend some time visiting our town. As Chamber members, we offer diversity in many services, from dining choices to shopping experiences for you to choose. We are proud to be a vital part of this "Treasure of the Jersey Shore".

Manasquan is a unique community made up of people who have lived here their entire lives and people who have moved here within the last few years. We are proud of not only our time honored traditions but the new events that are becoming traditions. We are a community of people who care about our town, and our neighbors and who are willing to get involved.

As you stroll down our streets, please remember that there is more to the downtown area than just "Main Street". There are shops and restaurants on Broad Street, South Street, along Route 71, as well as east of the railroad tracks, down by the beach front and inlet areas. Our members also extend to the surrounding towns as well. No matter what you are looking for, we think Manasquan has it all.

Whether you are here for a lifetime or just a few hours, we hope you take the time to walk along our beach front, stroll through our business district and relax over a delicious meal. No matter how long you stay, we know Manasquan is a place you will want to visit again and again.

Take your time, relax and enjoy all that Manasquan has to offer.

We are happy you are here!
