

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

July 1, 2022

Dear Residents, Family Members and Resident Representatives,

We don't have any additional COVID cases to report since you last heard from us. We're encouraged by this week's improving New Jersey CALI (COVID Activity Level Index) report. Over the past couple of weeks, the cases are trending downward. This week's report shows that a few counties in New Jersey have once again improved to the "moderate" category and one county has moved from "moderate" to "low". We're not out of the woods, but we're happy to see things moving in the right direction.

We hope you have an enjoyable and safe holiday weekend, and we thank you all for your ongoing support.

Regards,

The Keane Family
