

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

July 14, 2022

Dear Residents, Family Members and Resident Representatives,

Two residents in our Recollections neighborhood have tested positive for COVID. These cases were discovered during the outbreak testing we've been conducting over the past few weeks. As a result of these positive test results, we have suspended communal dining and activities in our Recollections neighborhood. Communal dining and activities are not impacted in our Independence 'Plus' Assisted Living or our Skilled Nursing neighborhoods. We are continuing our focus of innovatively finding ways to maximize our residents' enjoyment through enhanced programming in a safe manner.

As you may have heard in the news, cases have been recently trending slightly upward with the arrival of new subvariants. We will continue to keep you updated about new cases in the area as more information becomes available.

We hope you have an enjoyable and safe weekend, and we thank you all for your ongoing support.

Regards,

The Keane Family
