

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

July 22, 2022

Dear Residents, Family Members and Resident Representatives,

A direct caregiver in our Recollections neighborhood has tested positive for COVID. Unfortunately, we haven't had the summer break from COVID that we've had for the past two years. The CALI score, which measures COVID activity on a county-by-county level, is back in the "High" category for most of New Jersey.

On an entirely different topic, we're continuing to work hard at enhancing our activities programming. Our focus is not only on finding new activities and entertainment, but is also on increasing resident participation. One of our challenges is making sure that our residents are aware of all that is being offered at Sunnyside. We believe that improving our communication with family members will help in this regard.

We use Facebook as a means to share current and future events with family and friends. In fact, Sunnyside Manor has its own Facebook page. Near or far, you can stay up to date on all the activities and happenings at Sunnyside by visiting our Facebook page. There you can see upcoming events, wish our residents a very Happy Birthday, and see your loved ones enjoying life at Sunnyside. Remember to share it with your family and friends, too! To find us on Facebook, search "Sunnyside Manor NJ". Be sure to Like the page so that you can see updates from all three neighborhoods.

We hope you have an enjoyable and safe weekend, and we thank you all for your ongoing support.

Regards,

The Keane Family
