

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

August 19, 2022

Dear Residents, Family Members, and Resident Representatives,

The CDC COVID-19 community transmission levels are still red (high) throughout the entire state of New Jersey. A non-direct caregiver has tested positive this past week however will not affect our outbreak status. We remind you that this subvariant is extremely contagious and we appreciate your efforts to keep COVID out of Sunnyside by delaying your visit if you are experiencing COVID symptoms.

As of today, August 19th, our Independence 'Plus' Assisted Living and Recollections neighborhoods are out of outbreak status, so family members will be allowed to dine outdoors with their resident loved-ones. We will be required to follow certain NJDOH rules and restrictions for outdoor dining, so please call ahead to your respective neighborhood for outdoor dining guidance.

We hope you have an enjoyable and safe weekend, and we thank you all for your ongoing support.

Regards,

The Keane Family
