*The Area's Premier Family Owned & Operated Senior Living Community*

September 1, 2022

Dear Residents, Family Members and Resident Representatives,

Thankfully we do not have a lot to report this week. This has been a quiet week as far as COVID is concerned, and when it comes to COVID we like things quiet. Quite frankly, we've been looking for improvement in the CDC COVID activity report, which still shows "High" (red) throughout New Jersey, and that simply hasn't happened. Although we've been fortunate to keep our residents free of COVID, this CDC reporting is a reminder that we shouldn't let our guard down when visiting our loved ones at Sunnyside Manor.

The weather forecast is looking good for most of this Labor Day weekend. We will be having special activities and celebrations throughout the weekend for our residents. We hope you and your families can take some time to relax and enjoy the holiday weekend. We thank you all for your ongoing support.

Regards,

The Keane Family
