

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

September 16, 2022

Dear Residents, Family Members and Resident Representatives,

We're pleased to report another week without any additional cases of COVID. Despite the fact that the number of new cases has been declining, the CDC COVID Community Transmission reporting is still showing "High" (red) for every county in New Jersey.

As we mentioned in last week's letter, we will be having a booster clinic next week. This will give our residents and staff members the opportunity to receive the latest COVID booster. This booster reportedly provides a stronger response against omicron and other COVID variants as compared to the original vaccines.

It looks like we're in store for some beautiful weather this weekend. I'm sure our residents will be taking advantage of the outdoor time here at Sunnyside. We hope you have a wonderful weekend. We thank you all for your ongoing support.

Regards,

The Keane Family
