

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

September 9, 2022

Dear Residents, Family Members and Resident Representatives,

This week's letter is very similar with what we shared last week. We don't have any additional cases of COVID to report, and the CDC COVID activity report still hasn't budged from reporting "High" (red) for every county in New Jersey.

We just learned that we will be getting the latest booster for our residents and staff members, and a booster clinic has been scheduled for September 21st. There's been much written about the effectiveness of this booster against the COVID subvariants, and we're pleased to know it will soon be available.

With the cooler temperatures over the past few days, we've been seeing more and more residents enjoying the time outdoors. This weekend's weather forecast looks terrific, and we hope you and your families enjoy the comfortable temperatures. We thank you all for your ongoing support.

Regards,

The Keane Family
