

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

October 28, 2022

Dear Residents, Family Members and Resident Representatives,

This week's update is short and sweet because we don't have a lot to report. We haven't had any additional cases of COVID this week, which is always good news. The transmission rate has been trending slightly downward, but not to the level that would allow us to remove our facemasks. We continue to focus on infection prevention practices, which are especially important with flu season upon us.

We've had some great outside entertainment this week, and our staff is getting geared up for Halloween on Monday. A number of staff members will come in costume for the festivities. We hope you have a nice weekend and enjoy the trick-or-treaters on Monday. As always, thank you for your ongoing support.

Regards,

The Keane Family
