

The Area's Premier Family Owned & Operated Senior Living Community

October 21, 2022

Dear Residents, Family Members and Resident Representatives,

Earlier this week a direct caregiver in our Independence 'Plus' Assisted Living neighborhood tested positive for COVID-19. As you know from our letters, this is the first case we've had in quite a while. Quite frankly, we knew it was only a matter of time because the COVID activity has remained in the "High" (red) category for so long.

This week, we celebrated our seventh anniversary of being in this location. Our parents were so proud that the small nursing home our father found in the classified section of the New York Times in the 1980's developed into what Sunnyside Manor is today. Although we love our beautiful campus, it is our employees that make Sunnyside Manor so special. It isn't always easy to work in senior living, and our employees have a true calling in the way they care for others. We see this throughout our organization...from nursing to dining to maintenance to activities and every other department not listed here. We appreciate them all and are grateful for their service to our residents.

We hope you have a nice weekend. We thank you all for your ongoing support.

Regards,

The Keane Family
