

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

November 4, 2022

Dear Residents, Family Members and Resident Representatives,

This has been a busy week at Sunnyside Manor. We started out the week with our Halloween festivities, which were a big hit with the residents. (They were also a big hit with the staff!) We had a COVID booster clinic mid-week. Lastly, all three neighborhoods were able to enjoy outside entertainment during the week.

We made it through another week without any additional cases of COVID. As if we don't have enough to worry about, seasonal influenza activity has been increasing. The entire state of New Jersey is now reporting activity in the moderate range. Please be mindful of this if you are experiencing any flu symptoms and are planning a visit to Sunnyside.

We've noticed that some family members have been dropping off personal items for their loved ones at the loading dock. This was a restriction we had to put in place at the height of COVID, and we'd like to remind you that this is no longer necessary. Please feel free to bring personal items with you when you enter the building.

This weekend's temperatures are expected to be in the low 70's. At Sunnyside, we'll be spending time outdoors to take advantage of what is probably the last burst of warm weather before winter. As always, we thank you for your ongoing support.

Regards,

The Keane Family
