

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

December 30, 2022

Dear Residents, Family Members and Resident Representatives,

The latest uptick in COVID activity is a reminder that COVID isn't going away anytime soon. Our Assisted Living has had many cases over the past few weeks, but we are hopeful we are seeing the end of it.

Our three neighborhoods are celebrating the New Year with in-house activities of parties including festive treats, and champagne toast while following the New Year celebrations around the world. Our New Year's menu includes the traditional celebratory foods such as ham, black-eyed peas, and greens for good luck and prosperity in the coming year!

We wish you a very Happy New Year with the hope that you will have many blessings in the year to come.

Regards,

The Keane Family
