

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

December 9, 2022

Dear Residents, Family Members and Resident Representatives,

As you know, we've had some recent COVID activity at Sunnyside Manor. Earlier today, another resident in our Recollections neighborhood tested positive for COVID-19. We're providing in-room dining and activities in Recollections until we've completed our required rounds of testing. We aren't aware of any COVID-positive residents in our Independence 'Plus' Assisted Living or our Skilled Nursing neighborhoods, and we don't have any COVID restrictions in these neighborhoods.

Earlier this week, we had a community-wide holiday celebration for our residents. Our dining team presented a fabulous spread that included baked ham, homemade quiche and even crumb cake from Mueller's Bakery! Many dressed up for the festive occasion and enjoyed live entertainment during and after the meal. We look forward to the day when we are allowed to include families and loved-ones in these celebrations again.

We hope you have a nice weekend. Once again, we thank you for ongoing support.

Regards,

The Keane Family
