

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

January 27, 2023

Dear Residents, Family Members and Resident Representatives,

This past week did not present any additional resident cases of COVID-19. The COVID activity in New Jersey is beginning to decline, but not to the levels we would like. The Community Transmission Level reported by the CDC remains in the "High" category for every county in New Jersey.

The Sunnyside Manor staff and residents had fun celebrating Activity Professionals Week. Our staff participated in a Sunnyside staff facts scavenger hunt challenge, a groovy bingo game, finish the lyrics karaoke sing along and the younger-you picture guess-who contest. Our residents had a good time listening to some not-so-great karaoke from our staff and enjoyed looking at all our baby photos.

We hope you have a nice weekend. As always, we appreciate your ongoing support through these challenging times.

Regards,

The Keane Family
