

# SUNNYSIDE MANOR

*The Area's Premier Family Owned & Operated Senior Living Community*

January 6, 2023

Dear Residents, Family Members and Resident Representatives,

As you likely know from our recent communications, we're continuing to experience new cases of COVID-19 that have impacted our residents and staff members. The number of weekly new cases in New Jersey has been steadily increasing since early November. Despite all of precautions in place, this virus is simply too contagious and too widespread in the outside community to keep out of our building. In fact, today we learned that another direct caregiver in our Independence 'Plus' Assisted Living neighborhood tested positive for COVID-19.

Thankfully, despite these cases, we are able to continue with our communal dining and activities in all three neighborhoods. We are also continuing to bring entertainers into Sunnyside to perform for our residents. It's hard to believe we're almost three years into this pandemic. Although we've come to accept that COVID is here for the long term, we've learned to be adaptive to these ever-changing conditions in order to optimize the social experience for our residents.

We hope you had a nice holiday season and we wish you the best for 2023. Thank you for your ongoing support.

Regards,

The Keane Family
