

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

January 20, 2023

Dear Residents, Family Members and Resident Representatives,

This past week did not present any additional resident cases of COVID-19, although a few staff members from our Independence 'Plus' Assisted Living and Recollections neighborhoods tested positive earlier in the week. The COVID activity in New Jersey is beginning to decline, but not to the levels we would like. The Community Transmission Level reported by the CDC remains in the "High" category for every county in New Jersey.

We plan to resume communal dining this evening in our Skilled Nursing neighborhood based on the satisfactory results of today's round of resident testing. Our other neighborhoods have already resumed communal dining and activities. We're continuing to bring in outside entertainment. In fact, we had a "speak-easy" music performer after dinner last night for our Independence 'Plus' Assisted Living neighborhood, and it was a huge success.

We hope you have a nice weekend. As always, we appreciate your ongoing support through these challenging times.

Regards,

The Keane Family
