

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

February 17, 2023

Dear Residents, Family Members and Resident Representatives,

We don't want to jinx ourselves, but we're pleased to report that we remain COVID-free at Sunnyside Manor. Last weekend we completed our final round of staff testing. We're glad to finally have that behind us. The New Jersey COVID Activity Index is reporting some counties in the green (low) category. The CDC reporting, which sets the requirements for facemask usage, is still reporting all counties as High or Substantial.

If you don't already do so, we encourage you to follow us on Facebook. We post pictures from many of our activities there, and it's a great way to get an inside look at our programming. We're looking forward to seeing the posts from last night's "Palentine's" Day dinner in our Independence 'Plus' Assisted Living neighborhood. The staff went above and beyond with the decorations, which included strings of café lights hanging from the ceiling and hearts galore for decorations.

We hope you have a nice Presidents' Day Weekend. As always, we appreciate your ongoing support.

Regards,

The Keane Family
