

The Area's Premier Family Owned & Operated Senior Living Community

February 24, 2023

Dear Residents, Family Members and Resident Representatives,

Earlier in the week we reported that a staff member from our Independence 'Plus' Assisted Living neighborhood tested positive for COVID-19. Thankfully our required testing of other staff members did not result in any additional positive cases of COVID. Our dining and activities were not impacted by this positive test result. The COVID activity in New Jersey continues to slowly move in the right direction.

Although we typically invite musicians to sing for our residents, yesterday we changed things up and had a magician perform for all three neighborhoods. It was a huge success! Mr. Magico's magic tricks and mind-reading skills were filled with humor. In addition, he had everyone laughing with his ventriloquism skills as he traded jabs with his friend, a "dummy" pet possum. It was really nice to see all of the smiles in the room.

We hope you have a nice weekend. As always, we appreciate your ongoing support.

Regards,

The Keane Family
