

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

February 3, 2023

Dear Residents, Family Members and Resident Representatives,

We're pleased to report a week without any additional resident or staff cases of COVID-19. We've completed all of the required testing for our Skilled Nursing neighborhood, although are still performing the required rounds of staff testing for our Independence 'Plus' Assisted Living and Recollections neighborhoods. As much as we'd love to believe we're out of the woods, we remind ourselves that the CDC is still reporting every county in New Jersey in the red (high) zone.

Despite the headwinds we continue to face with COVID, we haven't skipped a beat with our resident programming. Believe it or not, this is National Ukulele Week and today is the official "Half-Way Through Winter" Day (we don't know how our Activities Department finds all of these reasons to celebrate). In recognition of these "special" days, we've commissioned a Ukulelist to perform island songs and sing-alongs for all three neighborhoods today. We also have a busy week ahead that includes a Ladies High Tea, Men's Club and a celebration of Babe Ruth Day.

We hope you have a nice weekend. As always, we appreciate your ongoing support through these challenging times.

Regards,

The Keane Family
