

SUNNYSIDE MANOR

The Area's Premier Family Owned & Operated Senior Living Community

March 10, 2023

Dear Residents, Family Members and Resident Representatives,

We're happy to share that we've made it through another week without any additional cases of COVID-19. In last week's New Jersey Weekly COVID Activity Report, Monmouth County improved from Medium (yellow) to Low (green). Although we still have a way to go before the CDC will allow us to relax the facemask requirements, the improving COVID activity is an encouraging sign.

Next month, Amy Matthews, a well-known dementia coach and consultant, will be giving a presentation at Sunnyside called "Forgetfulness: What's normal and when to be concerned". Although this will be a marketing event, we believe this topic might be of interest to some of our family members. It's free and space is limited, so please feel free to reserve a spot if you would like to attend.

We hope you have a nice weekend. As always, we appreciate your ongoing support.

Regards,

The Keane Family
