March 17, 2023

Dear Residents, Family Members and Resident Representatives,

Thankfully the positive test result we reported earlier this week for a non-direct care staff member in our Skilled Nursing neighborhood appeared to have been an isolated incident. Despite the declining COVID activity in our area, we remain vigilant with our infection control procedures due to the highly-infectious nature of this COVID variant.

Our Activities and Dining departments have gone above and beyond for our St. Patrick's Day celebration. Yesterday our three neighborhoods enjoyed a very special bagpipe performance. Today's lunch and dinner menus will include delectable Irish dishes, and we have an Irish concert scheduled for later today. This weekend, we will be having Irish dancers perform for all three neighborhoods.

We'll conclude this letter with the Irish slogan, "May you live as long as you want, and never want as long as you live". We hope you have a nice weekend. As always, we appreciate your ongoing support.

Regards,

The Keane Family
