*The Area's Premier Family Owned & Operated Senior Living Community*

March 3, 2023

Dear Residents, Family Members and Resident Representatives,

Thankfully we don't have any additional cases of COVID-19 to report. The COVID-positive staff member we mentioned last week was an isolated incident, as our required testing did not result in any positive test results. Similar to the information we've shared over the past few weeks, COVID activity in New Jersey continues to slowly move in the right direction.

We've had a number of new residents join our Sunnyside Manor family recently. It's always great to see new faces enjoying a meal in our dining room or relaxing in the great room. Yesterday we had a Move-In Mixer to welcome the new residents to our Independence 'Plus' Assisted Living neighborhood, and it was a huge success.

Lastly, yesterday's Coast Star featured an article on our "Palentine's" Day Dinner. The paper did a nice write-up of the event and included some fun photographs of our residents.

We hope you have a nice weekend and can enjoy the forecasted non-winter temperatures. As always, we appreciate your ongoing support.

Regards,

The Keane Family
