

# SUNNYSIDE MANOR

*The Area's Premier Family Owned & Operated Senior Living Community*

April 14, 2023

Dear Residents, Family Members and Resident Representatives,

The COVID activity continues to decline in New Jersey and we have not had any additional cases at Sunnyside. We're questioning whether weekly COVID communications are still helpful to our residents and family members. We'd like to continue to provide updates on the activity at Sunnyside, but the COVID portion of our letter is beginning to feel a bit redundant. We'd like to hear your opinion as to whether you'd like to continue to receive weekly COVID updates, or if you'd rather only hear about COVID if we have a positive case to report. Please let Pam or Jeana know your thoughts.

On Wednesday evening, we had a guest speaker give a presentation on dementia. She addressed what dementia is, and what it is not. This was very well received and we see a benefit in continuing to provide this type of education in the future. We also had the Wall Township Historical Society lead a discussion in our Independence 'Plus' Assisted Living neighborhood, which seemed to fascinate a number of our residents.

We hope you have an enjoyable weekend. As always, we appreciate your ongoing support.

Regards,

The Keane Family
